Dear Chapter President,

I am writing to request your continued support in the upcoming elections for the International Code Council's Board of Directors.

These past three years serving as your representative to the Board has been fulfilling and challenging, as we faced many issues relating to our struggling economy. With the leadership we have in place we have made policy decisions that has ICC positioned to take advantage in the marketplace and grow our membership and member services to provide the best and safest building codes in the world. There are still many challenges that will face our organization as we move forward and I am ready, willing and have the support of my jurisdiction to dedicate the time and energy it will require to continue as an effective board member.

I offer you my experience, dedication and passion for your consideration for continued service on the ICC Board of Directors. Letters of support may be sent to:

ICC 2010 Nominating Committee Chair
c/o Dominic Sims, Chief Operating Officer
International Code Council
Birmingham District Office

I have attached a copy of my resume and welcome your comments and questions.
