IRONDEQUOIT *New York*

JOB ANNOUNCEMENT

RELEASED: March 13, 2024

TITLE: Fire Marshal

HIRE RATE: \$53,988 – \$60,765 (dependent upon experience)

LOCATION: Town of Irondequoit, 1280 Titus Avenue, Rochester, NY 14617

JOB SUMMARY:

This position is responsible for inspection and enforcement activities involving fire protection and prevention. Duties involve inspecting public and semi-public buildings to determine the presence of fire hazards and enforce local and State laws and ordinances pertaining to fire prevention and life safety. Duties also involve acting as liaison with local fire districts to furnish and receive information regarding fires, fire hazards and code violations. The Fire Marshal reports directly to and works under the general supervision of the Town Supervisor or other higher level staff member. General supervision may be exercised over one or more Assistant Fire Marshals.

TYPICAL WORK ACTIVITIES (All may not need to be performed, and other related activities may be performed though not listed):

- Inspects public, semi-public and other commercial establishments to ascertain the extent of conformity to the New York State Uniform Fire Prevention and Building Code and other relevant laws and ordinances;
- Orders the removal or correction of fire hazards and fire code violations;
- Informs fire districts of local conditions and of special features involved in buildings or areas located in their districts; and
- Inspects yards and fields for the presence of rubbish and hazardous material;
- Recommends fire detection and suppression measures;
- Establishes and enforces fire lanes;
- Issues permits for combustible material, fire alarms, etc.;
- Prepares reports and maintains records;
- Reviews building plans for code compliance, and participates in approval process for new structures and renovations to existing buildings, subdivisions, road layouts and accessibility;
- Acts as liaison between fire district and government agencies;
- Reviews and maintains level of preparedness for disaster;
- Reviews and approves plans for hydrant locations and size of water mains in new commercial, industrial, and residential areas;
- Answers fire calls at commercial and residential sites aiding police and fire departments, and responds to any calls when requested by police or fire agencies;
- Investigates the cause, origin and circumstances of fires involving injury, loss of life or substantial property damage;
- Speaks to groups, organizations and businesses on fire prevention, fire detention systems, fire protection equipment and evacuation procedures; and
- Prepares materials to be used for Fire Prevention education.

OUR IDEAL CANDIDATE WILL HAVE:

- Thorough knowledge of fire hazards, fire prevention measures, and fire protection systems;
- Good knowledge of New York State Uniform Fire Prevention and Building Code;
- Working knowledge of general construction and building principles and materials;
- Ability to recommend changes and/or corrective measures to conform with local and state regulations and to foresee any unusual difficulties in firefighting in an area or structure;
- Ability to interpret plans and specifications;
- Ability to investigate the cause and origin of a fire;
